## energy enhanced

Our wide portfolio of Building infrastructure products are innovative and of outstanding quality and value, intended to Empower Humanity by creating a brighter, cleaner and smarter future for everyone across the globe.

Orange Electric provides solutions in the sphere of energy with special attention to design and efficiency. We have a range of batteries, home appliances, allied accessories, switches, sockets, wires, cables, circuit breakers, plugs, and connectors. In addition, we have industrial products under cable management, switchgear, enclosures, busbars, trunking, power distribution boards, energy optimizer, generators, solar, elevators and electronic robots.

## our portfolio

### Energy Enhanced

Orange Electric provides solutions in the sphere of energy with special attention to design and efficiency.

### Connecting the World

Offering a complete end to end network and connectivity solutions for industrial, commercial, medical and military sectors.

### Electrical Busduct Solution

Superbar offers world class low voltage electrical busbar trunking systems to meet the ever demanding and complex global.

### Smarter Habitat

Qbus develops products and technologies that turn homes, offices, hotels, factories and even hospitals into smart buildings. Smart solutions for convenience and energy savings.

### Building a Greener Future

Creating a brighter, cleaner future through class leading solutions, proven to reduce energy, water and maintenance costs and to reduce carbon footprint.

### Transportation at a click

Orel Go is an App based taxi and delivery booking solution that's convenient, economical and brings you safety to your destination.

### Seamless Mobile Payments

Orel Pay allows users to link their bank accounts and credit cards with the Orel Pay mobile app and carry out transactions by simply scanning a QR code

### On-line shopping convenience

Orel Store is a one stop unmanned online store that offers the OREL portfolio of products at timely specials with island wide delivery.
